

Run to Monterey 2021

featuring

a TRACK DAY at LAGUNA SECA

Thursday, Sept. 2 thru Sunday, Sept. 5, 2021

The Monterey Bay area has a lot to see and visit. In addition to among the world's best aquariums, golf courses and vineyards, Monterey is also home to a great road course, Laguna Seca. Perhaps you have watched the Corvette Racing Team battle the Porsches, Ferraris and BMWs there. Maybe you got the chance to do a parade lap or two.

Here is your opportunity to take the next step. The Northern California Racing Club is hosting a three-day track day weekend in September and we plan on being there. Whether you are a track day veteran or a first timer, there will be a run group for you. You can choose to spend Friday and Saturday at the track, or just Friday.

Even if you aren't interested in hitting the track, please join us for the weekend. Visit downtown Monterey, just 2 miles from the hotel. Plan a day or two on the local links. The Pacific Grove Golf Course is almost next door to the hotel. Enjoy a wine tasting tour. Hit the sands of Asilomar State Beach! There is plenty to do, and everyone is welcome!

In addition to COCSD members, we're inviting owners of 2017 Grand Sport Collector Edition Corvettes from across the country to join us for fun at the track on Friday and for photo shoots at scenic Monterey locations on Saturday. We know of one who is coming from the Chicago area! We'll do Club photo shoots at those same locations, for those who wish to join in.

Tentative itinerary:

Thursday: Leave Aliso Creek Rest Area at 9:00 am. Lunch stop in Santa Barbara.
Arrive at the Sea Breeze Inn & Cottages in Pacific Grove.

Friday: Track day and photo shoot at Laguna Seca or take a wine tasting tour or?

Saturday: Visit downtown Monterey and join our photo shoots or track day at Laguna Seca or?

Sunday: Return to San Diego.

**For hotel, track registration or more information,
call Craig 619-723-2020 or email: cjm01awt@gmail.com**
