Darold Herdes
Craig Moya
Maria DeSoto
Jay Orband
Mike Fuchs
Linda Weissenberger
Rod Weisesenberger

The meeting was called to order at 6:30 by President George Dalphine.

VP- Glen Honig listed both Birthdays and Anniversaries.

Membership- There were no new members introduced to the club. Cyndi Murphy has agreed to stay on as the club's Membership Chair. A round of applause was given to her.

Treasurer-The Treasurer did not attend, and no report was given.

Activities- In Ken Carson's absence, George Dauphine passed out a tentative schedule that Ken Carson had created for 2022. Members were reminded of the January 22 run that heads to Ocotillo and returns to Ramona for lunch.

Merchandise- Janet Dawes was introduced as our new Merchandise Chair. She was able to briefly connect to the Zoom, but technical difficulties arose, and she was unable to participate.

NCM-David Baker, last year's representative, was in attendance and briefly talked about the 2024 Caravan. David has agreed to take on the role of photographer with Glen Honig agreeing to be back-up when David is unavailable.

PR-Chip Fox was unable to attend so no update was given.

President George Dauphine recognized the outgoing Board and hopes that all of them can make it to the February meeting. George asked everyone to fill out the 2022 Survey

that was passed out prior to the meeting. He also reminded those on Zoom that the survey was available on our COCSD website. George stated that the 2022 Budget will be out in March.

MSA- George recognized Craig Moya for his outstanding effort with MSA in 2021 and suggested he be recognized as Mr. MSA for all his years as Chairman of the event.

Open Mic – various topics regarding the new C8 and its availability.

Raffle – Glen Honig and George Dauphine brought two Corvette signs for the raffle and the club provided hats and other paraphernalia, including a COCSD watch. A bottle of wine was donated as well. Leah Johnson was the winner of one of the signs, but she graciously handed it to Steve Breault as he had turned down two earlier drawings in hopes of winning the sign.

George encouraged everyone to come again next month where we plan to have a speaker from one of the automotive sponsors.

Adjourn- The meeting was adjourned at 7:45pm.

I would like to thank George Dauphine for supplying the meeting notes as I, like many, many others were not able to enter the meeting via Zoom.

Respectively submitted,

Lin Siepert

Secretary
