On May 17, Shifting Gears will occur, it is a recreation of the 1926 Point Loma Road Rally. Every 3rd Sunday the museum hosts a coffee from 7:30 – 9:30 am.

Glen announced birthdays and anniversaries.

Cyndi presented Pete Lustria as a prospective new member. Upon a request by George, Cyndi reported that our membership in 2018 was 219. In 2022 we have 217 members. We have lost some members but gained members during these Covid years.

Chris Dawes asked that membership cards be reformatted. It would be great if they were plastic and each year a new membership sticker would be available. This suggestion will be brought to the Board.

Sue reported our bank balance to be \$26,690.13.

Ken reports we have 17 cars in the Saint Patrick's Day Parade.

March 18th is K-! Speed.

Several members are heading t Spring Mountain next weekend. March 26th is the Just Below the Snow Line Run. Ken will be there but wonders how many cars may show up as currently premium gasoline is \$6.29/gallon and climbing daily.

Bob Pratt said the deadline for the discounted room rates is March 15.

If you are the first person to contact me you win a box of Girl Scout Thin Mint Cookies. Email me at lsiepert@san.rr.com Just wondering if anyone other than my husband reads the minutes.

David Baker reminds us that August 29-31 is the next Caravan date.

That's Labor Day weekend and our group(s) will probably be leaving for Bowling Green the prior Tuesday or Wednesday, Gail Carson will be forming a committee to plan this trip.

Kudos and a big thank you to Roberta Degener & Chris Spencer for another great Poker Run. This year's winner was George Dauphine.

The budget has been approved by the Board.

During Open Mic Time we learned that there is no update on sponsorship from Bob Stahl. However, there are conversations happening with other dealerships.

Meeting adjourned 7:30pm

Respectively submitted,
