Attendance: Brian Bowman, Leonard & Cookie Campbell, Sam Campbell, Ken Carson, Lee & Pat Caudel, Janet & Chris Dawes, Roberta Degener, Chris Spencer, Deno Dimuzio, Mike & Jaymie Fuchs, Craig Gillam, Doug Hall, Darold & Elizabeth Herdes, Shelley & Glen Honig, Steve Hucik, Joe Huvar, Donna Johnson, Jim & Viki Lassiter, Sam Lewis, Chuck Makray, Dale Mastny, Craig Moya, Scott Norton, Nancy Oeh, Jay ORband, Gilbert Peet, Doug Ray, Sue & Steve Royce, Victor Scalco, Susan & Ken Stein, Brian Storrs, Bob Swanson, Chris Teague, Jennifer & Bobby Udell, Jill & Rick Votaw

President George Dauphine called the meeting to order @ 6:30 pm and Board members were introduced.

George discussed the information about our board nominations and appointed positions. He asked for additional nominations for president, vice president, secretary, treasurer (which is wide open), historian (Victor Scalco volunteered), website content editor, public relations, membership, and member at large. Other than Victor Scalco, no others have volunteered for any positions.

Craig Moya talked about MSA and presented to Dr. Dennis Smith, Chief of Operations of San Diego Center for the Blind, an oversized check showing the \$25,000 raised by MSA, and a check for \$14,196.73 the remaining proceeds due to the center. We had a lot of platinum donors (at least \$1000 donation). Bob Bishop and his wife made up the amount of money we were short to reach our \$25,000 goal. Dr. Smith offered to store equipment for us. He also mentioned that MSA is great PR for them. A plaque was presented to Bob Harrison, a long-time member and supporter of MSA.

Glen Honig discussed all of the work he and Ken have done to digitize the old COCSD records and photos. The SD Auto Museum has offered to give us some display space and Glen has volunteered to help put something together for that. Sam Campbell mentioned that next year is the club's 65th anniversary. He would like us to have a 65th anniversary logo and would like a new photo of a bunch of members with their corvette. A member suggested a wooden challenge coin that is laser engraved for the anniversary. Janet Dawes says she knows a place that can do the engraving.

Susan Royce, Treasurer, reports the club's bank balance to be \$27,734.08.

Ken and Brian have no new information for historian.

Tom is not here tonight and Cookie is taking his place. She has requested that people bring firewood to the party tomorrow night.

Dale has announced that next year will be his last as website content manager. Janet Dawes has suggested that people check to see which activities are now payable on our website.

No information from MAL

Steve Hucik has just completed another class for car restoration.

Janet Dawes – She has found a new place for shirts for a slightly lower price. They will be on line for order soon. There is some merchandise on the back table. She will try to have a good variety of things on the website including duffle bags, shoulder bags, signs, etc.

Janet reminded about the Holiday party at Admiral Baker Club. There will be some music, a casino night, etc.

Ken mentioned that the beach party was a great time. He thanked Janet and Chris Dawes and Cookie and Leonard Campbell for opening their home for a party and encouraged others to step up as well. Looking to have an event run to the desert next year with an overnight stay. Cookie's party is tomorrow night and next weekend is the Three Lakes Run and a track day at Spring Mountain. We have some upcoming parades including OB, which is very fun and La Jolla.

Thankful for COCSD Pot Luck will be at Leonard & Cookie Campbell's home on 12 November. Dress is casual.

Sam Campbell – Long Beach Grand Prix tickets are going on sale next week.

Bob Swanson has a battery for sale.

After Raffle prizes were won the meeting was adjourned @ 7:51pm. Respectively Submitted, Susan Royce for Lin Siepert, Secretary COCSD
